It is universally acknowledged, by those acquainted with her history, that the Impress Catherine II, was and of the most remarkable women that ever lived. The annals of her life and reign are crowded with surfaing relients, with novel advantures, with wenderful displays of taleat, heroisen and passion; and yet, there exists no work in our language of an accessible form, in which they may be found. Under these circumstances, the author of this work supposed that a need a histe remained unfilled in the historical distrature of the day, which might be appropriated to advantage.

FROGRESS OF RELIGIOUS IDEAS THROUGH SUCCESSIVE AGES. By L. Maria Child, an hor of "Philothea,"

"Letters fr. in New-York," Ac. S. vols., 1 mo. 54

This work has core the distinguished author many years of labor and study. It will be found a concise and comprehensive account of religious opinions, from the most aucisst Hindoo records to the complete establishment of Caristianity. In her preface she remake:

"My motive in writing has been a very simple one I wished to show that theology is not religion, with the hope that I might help to break down pertition was by: to ameliorate what the eleasured Bushed! calls haprized butreds of the har was need."

To write with the unified pusice at which I aimed, which shows the wind the middle days to tramp a under my feet the theological underbrush which disays targlies and onsernets the pull when the soul stiffeet to be gailed only by the mild, bright war of religious sentiment. It is never pleasant to wak directly through and over the opinions of the ase in which one lives. I have not does it screamically, as if I depled than it because such it not my feeling. C A S T E;

A STORY OF REPUBLICAN EQUALITY. By Sydney A. Story, Jr.
In one large rol., 1 mo. 540 pp. Price \$1.25.

This powerful Anti-Slavery Novel will awaken the attention of the public to a new phase of the great queetinn of the day.

To those who would be repel ed by a tale of wrongs and attractions, however rune they might be, the publishers desire to eay, that this is in the best sense a novel—a love wory, if the reader places—relating to the fortunes of persons belinding to the Privileged Clars. The condition of the Sauthern Slave is not the theme of the book. It is true the author has written with a purpose but it does not lie upon the surface, and the reflective reader with find that its force fails quite as much upon Northern supon Southern scolety. reader will the assets as a spen Southern society.

The publishers do not wish to give any hint of the Unique
Plot of this novel; preferring that the thousands of readers
should enjoy the pleasure of its surprises for themselves.
